

## From the Director's Desk...

I'm not sure how it happened, but I blinked—and summer is almost over! We've had such a fun season here at Wee Little Lambs, filled with water days, bike weeks, library visits, and park adventures. It's been a busy (and sweaty!) time for everyone.

As we approach the start of a new school year, we're getting our tissues ready to say goodbye to our kindergarteners and cheer them on as they head off to their next big adventure. Meanwhile, we're busy preparing classrooms and kiddos for upcoming room transitions.

Looking ahead, we're thrilled to announce the return of our Color Run/Walk Fundraiser on September 13<sup>th</sup> at 9:00 AM! We invite everyone to run, walk, skip, or even cha-cha through Mt. Holly Springs in a joyful celebration of community spirit. All proceeds will go toward updating classroom learning materials and supporting our scholarship fund to assist families in need.

Thank you for being part of our Wee Little Lambs family!

With love,  
Ms. Taylor

## Back to School Reminders:

**Paperwork.** We're currently reviewing each child's file to ensure that all required paperwork is up to date. If any documents need your attention, you'll find them in your mailbox soon. Please review, complete, and return them to the office at your earliest convenience.

**Physicals.** State regulations require that each child's file includes current documentation of well-child checkups at the following ages: 3, 6, 9, 12, 15, 18, 24, 30, and 36 months, and then annually after age 3. Please have your child's doctor complete the official Child Health Report form at each checkup. Blank forms are available on the parent mailboxes—just grab one before your next appointment.

**Classroom Transitions.** As we begin the new school year, some children will be transitioning to the next classroom based on their age and developmental readiness. If your child is scheduled to move, you'll receive a notice in your mailbox with details, including the transition date and any tuition changes associated with the new classroom. If you have any questions or would like to discuss the transition, feel free to stop by the office—we're happy to help!

**Drop-Off & Pick-Up Reminder.** To help maintain a healthy environment and support smooth transitions, we kindly ask that parents avoid entering the classrooms during drop-off and pick-up times. A quick, cheerful goodbye—complete with a hug and well wishes—helps your child settle in more easily and allows teachers to guide them into their day with confidence.
